

# OYAP Lesson: Starting an Apprenticeship in High School

Focus: Ontario Youth Apprenticeship Program (OYAP)

## Learning Goals

- Understand how OYAP allows students to begin apprenticeship training in high school.
- Identify eligibility requirements and benefits of OYAP.

## Key Discussion Topics

- How OYAP works through co-op education.
- Earning apprenticeship hours while completing the OSSD.
- Certifications and hands-on experience.

## Student Activity

Students create a short plan outlining how OYAP could fit into their high-school pathway.
